

Full Time Nanny / House Manager Search

We are a German-Dutch-American family moving to the DC area from Chicago in the beginning of March and are seeking a full-time nanny/house manager to care for our 4-year old daughter. We will be living in Chevy Chase, MD from March 2019 and moving to the Kent neighborhood in Northwest DC in November 2019 (subject to completion of construction of a new house).

From March 2019 until mid-August, we would need coverage from 8 a.m. to 6:30 because our daughter will not be in school. Starting in August, we would ideally want someone starting at 7 a.m. to drive our daughter to the German International School in Potomac until she is old enough to ride the bus. Thereafter, we would expect the position to be a 40-hour per week position starting around 11 a.m. and continuing to 7 p.m. Because of travel schedules, we may need flexibility at times.

Below are additional details about the position.

If you are interested, please send some information about your experience as well as a contact number to reach you to mail@straubstefanie.com.
