To Whom It May Concern,

We are pleased to inform you that the INTERNATIONAL MUSIC CAMP is extending an invitation for two students from your country to take part in the 2020 International Youth Cultural Exchange Scholarship program. Scholarships will be provided for the first two students from your country whose applications we receive before May 1, 2020. Each scholarship will cover room, board, tuition, and private lessons for two weeks. Students will be responsible for their own transportation from their country to the camp, the return trip home, and any hotel lodging required. Although a number of summer arts programs are available during the months of June and July, the special scholarship is offered only for the programs listed on the enclosed registration form. Several two-week options are available.

The INTERNATIONAL MUSIC CAMP is one of the leading Summer Schools of Fine Arts in North America and is located in the International Peace Garden on the border between the United States and Canada. The purpose of the camp is to encourage the development of a greater understanding among the youth of the world using music as the universal language. A faculty of more than 150 of the finest Artist-Teachers and Guest Conductors from all over North America are employed to provide an enriching musical experience through master classes, music theory, private lessons and full ensemble rehearsals. Since 1956, students from over 80 nations have enrolled in the International Youth Cultural Exchange Scholarship program.

Enclosed are application blanks and a brochure which states the eligibility requirements, dates, and rules governing the scholarships. After applications have been accepted, a packet of detailed information will be sent to the students to assist them with travel arrangements and to inform them of the personal items they will need.

We believe that communication between young people from diverse backgrounds produces life-time friendships and encourages artistic, cultural and personal growth. We hope a representative from your country will be able to attend the INTERNATIONAL MUSIC CAMP next summer.

Sincerely,

Christine Baumann
